About NYSHFA

- ◆ The New York State Health Facilities Association (NYSHFA) is a statewide professional health care membership organization of long term care providers and representatives.
- ◆ NYSHFA's membership is comprised of more than 250 skilled nursing and assisted living facilities which account for nearly 45,000 sub-acute, long-term care and assisted living beds in New York State.
- ◆ The membership is diversified and represents individual and multi-facility operations of proprietary, voluntary and government sponsorship. NYSHFA is an affiliate of the American Health Care Association (AHCA) and National Center for Assisted Living (NCAL).
- ◆ For more than 50 years, NYSHFA has been providing its members with resident-oriented programs of continuing education as well as counseling and direct services in the areas of administration, resident care, life safety standards, public relations, legal and legislative affairs, regulatory, compliance, finance and data processing. Members of NYSHFA are dedicated to the highest standards of care and quality of life of all residents.
